DESCRIPTION

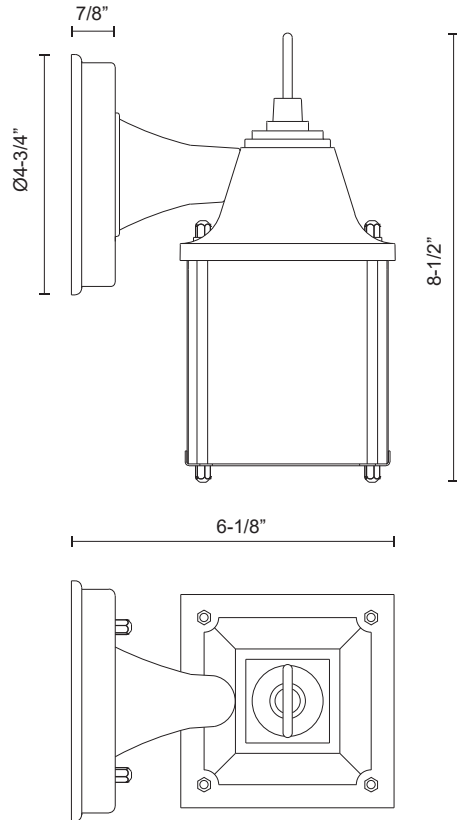

The Grove Outdoor Wall Sconce offers a modern interpretation of a classic outdoor lantern. Combining clean glass shades with vintage inspired metal elements, Grove strikes a balance between contemporary simplicity and timeless character. Its versatile design makes it an ideal choice for front entries, garages, and multifamily exteriors. Designed for flexibility and lasting style, Grove's socket based construction allows users to select their preferred medium base bulb, making it easy to tailor brightness and ambiance to the space. With its clean silhouette and durable design, Grove enhances outdoor settings with both function and refined appeal.

- Modern Lantern Inspired Design – A contemporary take on a traditional lantern, blending clear glass with vintage influenced metal detailing.
- User Selectable Light Output – Medium base socket allows you to choose your preferred bulb for desired brightness and color temperature.
- Clean Glass Shade – Clear glass provides bright, welcoming illumination while showcasing the bulb for added character.
- Durable Outdoor Construction – Designed to withstand exterior environments while maintaining a refined appearance.
- Ideal for Exterior Applications – Perfect for front doors, garages, and multifamily outdoor lighting.
