

L-Series 2-Wire Ceiling Horn Strobe

L-Series 2-wire horn strobes include a variety of features that increase their application versatility while simplifying installation.

Overview

The L-Series line of ceiling-mount horn strobes include a variety of features that increase their application versatility while simplifying installation. All devices feature plug-in designs with minimal intrusion into the backbox, making installations fast and foolproof while virtually eliminating costly and time-consuming ground faults.

To further simplify installation and protect devices from construction damage, the L-Series utilizes a universal mounting plate for all models with an onboard shorting spring, so installers can test wiring continuity before the device is installed. Installers can also easily adapt devices to suit a wide range of application requirements using field-selectable candela settings, automatic selection of 12 or 24V operation, and a rotary switch for horn tones with two volume selections.

Features & Benefits:

- Updated modern aesthetics
- Small profile devices for Horn Strobes
- Plug-in design with minimal intrusion into the backbox
- Tamper-resistant construction
- Automatic selection of 12- or 24-volt operation at 15 and 30 candela
- Field-selectable candela settings for ceiling units: 15, 30, 75, 95, 115, 150, and 177
- Horn rated at 88+ dBA at 16 volts
- Rotary switch for horn tone and two volume selections
- Mounting plate shorting spring checks wiring continuity before device installation
- Electrically compatible with legacy SpectrAlert and SpectrAlert Advance devices
- Compatible with MDL3 sync module

Certifications:

- UL Listed: S4011- S5512
- ULC Listed: S4011- S5512
- FM Approved
- CSFM: 7125-1653:0504- 7135-1653:0503

Specifications

- Brand : Farenhyt|Gamewell-FCI|NOTIFIER|System Sensor
- Product Type : Horn Strobe
- Mounting Type : Ceiling
