WALL

PROJECT

DESCRIPTION

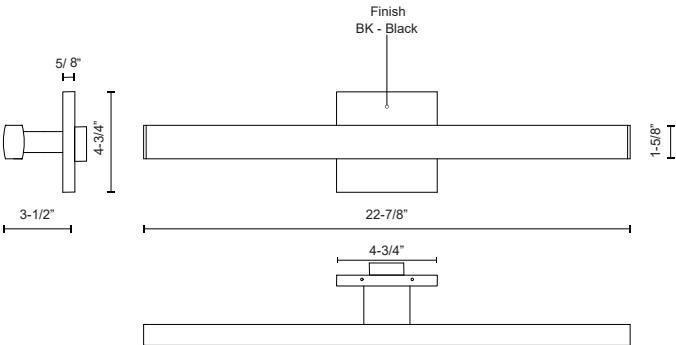

The Tila Bathroom Vanity Light delivers a sleek, architectural presence with balanced up and down illumination. Designed with a clean, modern frame, Tila emits light from both sides to create a refined lighting effect that enhances mirrors and surrounding spaces. Its minimalist profile makes a bold yet understated statement in contemporary interiors. Featuring integrated LED technology, Tila provides consistent, energy efficient illumination while maintaining a streamlined appearance. With the flexibility to mount the fixture horizontally or vertically, Tila adapts easily to a variety of bathroom vanity and powder room layouts.

- Architectural Up and Down Lighting – Light is emitted from both sides of the frame to create a balanced, modern lighting effect.
- Sleek Modern Design – Clean lines and a refined profile complement contemporary and minimalist spaces.
- Horizontal or Vertical Mounting – Offers installation flexibility to suit different vanity and mirror configurations.
- Integrated LED Technology – Energy efficient, long lasting LEDs provide consistent illumination with no bulb replacements required.
- Ideal for Bathrooms and Powder Rooms – Designed to enhance vanity spaces with modern style and functional lighting.
