

JEANIE
WS0712218
WALL

PROJECT

WS0712218MB
Matte Black

DESCRIPTION

The Jeanie Wall Sconce offers a striking balance of ambient and focused illumination in a sleek, modern form. Featuring diffused omni directional lighting on one side and a directional spotlight on the other, Jeanie provides layered lighting that adapts to your space. Depending on mounting orientation, the spotlight can be directed upward or downward to achieve the desired effect. Minimal yet distinctive, Jeanie enhances modern and architectural interiors while delivering practical performance. Its integrated LED design and damp rating make it an ideal choice for bathrooms and other moisture prone environments.

Dual Light Output Design – One side delivers soft, diffused omni directional illumination, while the opposite side provides focused spotlighting.

Flexible Mounting Orientation – Spotlight can be directed upward or downward depending on installation preference.

Modern Minimalist Aesthetic – Clean lines and a refined profile complement contemporary and architectural spaces.

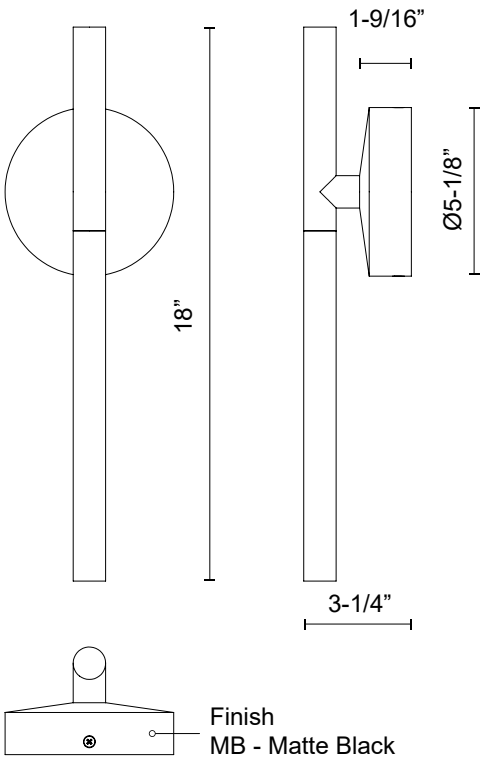

Integrated LED Technology – Energy efficient, long lasting LEDs provide consistent illumination with no bulb replacements required.

Damp Rated for Bathroom Use – Suitable for bathrooms and other damp locations.

SPECIFICATION DETAILS
